Van Lanschot Kempen Investment Management releases Stewardship and Sustainable Investment Report 2024

Amsterdam/'s-Hertogenbosch, the Netherlands, 20 March 2025

Van Lanschot Kempen Investment Management today publishes its Stewardship and Sustainable Investment Report 2024. The report offers clients, shareholders and other stakeholders a detailed insight in our approach to sustainable investments during the year.

Erik van Houweligen, Member of the Management Board and responsible for Investment

Management Clients: "Against the backdrop of a vastly changing political world order and growing division over sustainability, we keep our cool as wealth managers and investors by sticking to what we believe in: selecting companies based on a long term vision, companies that are agile and that we believe will come out as the winners of the future. We choose to engage in dialogue: we actively discuss the changes with our clients, our investee companies and fund managers. Ultimately, our goal is to help our clients navigate the transitions of our time."
