Van Lanschot Kempen launches share buy-back programme to fund remuneration policy and share schemes

Amsterdam/'s-Hertogenbosch, the Netherlands, 27 February 2025

On 27 February 2025, Van Lanschot Kempen will start the repurchase of its own shares (depositary receipts for Class A ordinary shares), to a maximum total value of €10.0 million. Amounting to c. 204,000 shares at the closing price on 26 February 2025, the programme will serve to cover the depositary receipts to be allocated to employees under the existing remuneration policy and share schemes.

The share buy-back programme will end on the day before the publication of Van Lanschot Kempen's 2025 annual figures, or sooner if the maximum total value is reached before then. Van Lanschot Kempen has tasked ING with the implementation of its share buy-back programme. ING will make its trading decisions independently of Van Lanschot Kempen.

Weekly updates on the share buy-back programme will be provided in press releases and on the Share buy-back programmes page of Van Lanschot Kempen's website.
