Van Lanschot Kempen launches share buy-back programme to fund remuneration policy and share schemes

Amsterdam/'s-Hertogenbosch, the Netherlands, 26 February 2026

On 26 February 2026, Van Lanschot Kempen will start the repurchase of its own shares (depository receipts for Class A ordinary shares), to a maximum total value of €15 million. Amounting to c. 300,000 shares at the closing price on 25 February 2026, the programme will serve to cover the depository receipts to be allocated to employees under the existing remuneration policy and share schemes.

The share buy-back programme will end on the day before the publication of Van Lanschot Kempen's 2026 annual figures, or sooner if the maximum total value is reached. The share buy-back programme will be executed in compliance with the Market Abuse Regulation and within the authorisation to acquire a maximum of 10% of the issued capital as granted by the general meeting of shareholders on 22 May 2025. Van Lanschot Kempen has mandated ABN AMRO with the implementation of its share buy-back programme. ABN AMRO will make its trading decisions independently of Van Lanschot Kempen.

Weekly updates on the share buy-back programme will be provided in press releases and on the [Share buy-back programmes](#) page of Van Lanschot Kempen's website.
