Van Lanschot Kempen wins SRP Europe Award 2026 for Best Distributor Netherlands

Amsterdam/'s-Hertogenbosch, 1 April 2026

Van Lanschot Kempen has won the Best Distributor Netherlands award at the annual SRP Europe Awards ceremony in London. With this award, Structured Retail Products (SRP) recognises Van Lanschot Kempen's consistent performance and its role within the Dutch structures products market.

The SRP Europe Awards 2026 are European awards presented by Structured Retail Products and focus on assessing distributors and products in the structured products market based on performance. For this award, 238 structured products distributed by Van Lanschot Kempen were included in the assessment. Criteria included, among others, realised returns, volumes and the use of products within investment portfolios under different market conditions.

Bob Stroeken, Director Investment Research & Content at Van Lanschot Kempen: 'At Van Lanschot Kempen, structured products are an integral part of our wealth management proposition; particularly within investment advisory portfolios. Over the past few years, we have worked with various specialist teams to clearly position this proposition, with the aim of offering solutions that meet clients' needs.

That this approach is paying off is demonstrated, for example, by a recent successful product launch that taps into the structural growth of artificial intelligence, while at the same time limiting downside risk. Being awarded the SRP Award for Best Distributor Netherlands underscores the added value we deliver to clients.'
